

CENTRAL COUNCIL FOR RESEARCH IN AYURVEDIC SCIENCES

NOTIFICATION

This is with reference to question paper and answer key of the written examination for the posts of MTS (Peon) held at NIIMH, Hyderabad on 17 June 2018 and receipt objections from a few candidates on question No 14,24,31,44 & 54. After consideration of the recommendations of the duly constituted committee, it was decided by the competent authority not to consider these five questions for evaluation and evaluation to be carried out for the remaining 95 questions. The said decision was placed on the website inviting objections, if any.

An objection has been received from one of the candidates stating that question No 24, 31 & 44 were wrong questions and therefore their elimination is in order, but question No 14 & 54 were not wrong questions but the answers given in the answer key were wrong and therefore requested that marks be awarded to candidates who have marked the correct answer for these two questions.

Therefore, the objection was again examined by the duly constituted Committee and based on its recommendation, the competent authority has decided not to consider question No 24, 31 & 44 for evaluation. The correct answer in case of question No 14 is option "B" and for question No 54 the correct answer is option "A". The answer key to that extent may be deemed as amended for question No 14 & 54. Therefore, the competent authority has further decided that evaluation of answers for question No 14 & 54 will be evaluated and marks will be awarded to those candidates who have given correct answer as option "B" for question No 14 and option "A" for question No 54.

Any doubt/objection may be submitted to the Council within three days. If no objection is received within the stipulated period, evaluation and preparation of result will be done by the Institute accordingly.
